Sen. Hardiman announces \$1 million in grants to three Grand Rapids housing nonprofits

LANSING — Three Grand Rapids nonprofit housing organizations will receive grants totaling more than \$1 million from the Michigan State Housing Development Authority, Sen. Bill Hardiman, R-Kentwood, announced today.

“I’m pleased to see these worthy projects receive state funding,” Hardiman said. “These efforts will help the city of Grand Rapids offer affordable housing opportunities for residents.”

Heartside Nonprofit Housing Corp. will receive \$620,000 to develop 11 rental units. Its project will rehabilitate four buildings in the 100 block of South Division Avenue in Grand Rapids as part of its Martineau project.

Garfield Development Corp. will receive \$205,875 to buy and rehabilitate three houses in the Burton Heights East area.

Lighthouse Communities Inc. will use the \$193,000 it received to rehabilitate 10 rental units for low- to moderate-income families in Grand Rapids.
